

TRIMAX

TRAILER & VEHICLE LOCKS

UMAX 50 - UNIVERSAL TRAILER LOCK

UMAX50

- One size fits all. All coupler types from 1-7/8", 2" to 2-5/16".
- Hardened 5/8" - 16mm Shackle.
- Reinforced armoured shoulder guard resists hammer strikes and saw cuts.
- Rugged corrosion resistant finish.
- Available in flat & tubular keys.
- Key hole cover helps seal out dirt and grime.
- Anchor with chain or cable.

TFW55 - 5TH WHEEL LOCK

UMAX50

- Designed to mitigate trailer theft with a simple cover, preventing access to trailer hitches.
- Unlock and lock head will spring out from the lock. Slide the lock up to cover the hitch.

ULTRA-MAX SECURITY WHEEL LOCK

- Maximum security for trailers, construction equipment, cars, trucks, ATVs and 4x4s.
- Heavy gauge steel disc covers lug nuts to prevent tire removal.
- Adjustable wheel lock. Fits nearly all 10" - 18" wheels.

DELUXE UNIVERSAL WHEEL CHOCK LOCKS

- Lock out theft on trucks, trailers, RVs, cars, quads, boats and more.
